The Unbidden Past is a historical fiction novel set in Victorian England. The story follows the lives of two sisters, Eleanor and Anne, as they navigate the social and economic challenges of their time.

Eleanor is the elder sister, and she is a strong-willed and independent young woman. She is determined to make her own way in the world, and she is not afraid to challenge the social norms of her time.

Anne is the younger sister, and she is a more gentle and timid young woman. She is content to follow the path that is laid out for her, and she does not question the social order of her time.

The two sisters are very different, but they love each other dearly. They are each other's confidantes, and they support each other through thick and thin.

The Unbidden Past is a story about love, loss, and family. It is a story about the challenges of growing up in a rapidly changing world. It is a story that will stay with you long after you finish reading it.

## **The Setting**

The Unbidden Past is set in Victorian England, a time of great social and economic change. The Industrial Revolution had transformed the country, and the old order was crumbling.

The novel is set in the city of London, which was at the heart of the Industrial Revolution. London was a bustling metropolis, full of both opportunity and danger.

The sisters live in a modest home in the East End of London. The East End was a poor and crowded neighborhood, but it was also a place of great vitality and community.

## **The Characters**

Eleanor is the main protagonist of The Unbidden Past. She is a strong-willed and independent young woman who is determined to make her own way in the world. She is intelligent and ambitious, and she is not afraid to challenge the social norms of her time.

Anne is the younger sister of Eleanor. She is a more gentle and timid young woman who is content to follow the path that is laid out for her. She is kind and compassionate, and she is always there for her sister.

The other characters in The Unbidden Past include:

- Mr. and Mrs. Smith: The sisters' parents
- John: A young man who is in love with Eleanor
- Mary: A young woman who is friends with Anne
- Mr. Brown: A wealthy businessman who is interested in Eleanor

## **The Plot**

The Unbidden Past follows the lives of Eleanor and Anne as they navigate the social and economic challenges of Victorian England. Eleanor is determined to make her own way in the world, and she is not afraid to challenge the social norms of her time. Anne is more content to follow the path that is laid out for her, but she is always there to support her sister.

The novel begins with Eleanor working as a governess in the home of a wealthy family. She is unhappy with her job, and she longs for a more fulfilling life. When she meets John, she begins to think that she may have found the love of her life.

However, John is not who he seems. He is a gambler and a cheat, and he is only interested in Eleanor's money. When Eleanor discovers his true nature, she is heartbroken.

Anne is also facing challenges in her life. She is in love with a young man named Mary, but Mary is not interested in her. Anne is heartbroken, and she does not know what to do.

As the novel progresses, Eleanor and Anne must learn to face their challenges and find their own way in the world. They must learn to be strong and independent, and they must learn to rely on each other.
