

English Vocabulary in Use Advanced with Answers and Enhanced eBook Vocabulary

English Vocabulary in Use Advanced is a comprehensive vocabulary builder that is designed to help students improve their English vocabulary. This book covers a wide range of topics, including academic, business, and everyday English. It also includes exercises and activities to help students practice their new vocabulary.

The book is divided into 100 units, each of which focuses on a different topic. The units are organized by difficulty, so that students can start with the easier units and gradually progress to the more difficult ones.
