

No Way! Amazing Acrobatics: Time for Kids Nonfiction Readers

All About Acrobatics

Acrobatics is an amazing sport that combines strength, flexibility, and balance. Acrobats perform amazing feats of skill and agility, such as flips, twists, and jumps. They also use props, such as trampolines, bars, and rings, to create even more spectacular stunts.

Acrobatics has a long and rich history. It is believed that acrobatics originated in ancient China, where it was used as a form of entertainment. Acrobatics was also practiced in ancient Greece and Rome, where it was often performed at festivals and games. In the Middle Ages, acrobatics was popular in Europe, where it was often performed by traveling performers.
